

30.9 Duties to be allocated to department of public defense.

Agreements negotiated by the commission and the department of public defense shall provide for the allocation of duties to the department of public defense as follows:

1. Comprehensive emergency response plans required to be developed under section 303 of the Emergency Planning and Community Right-to-know Act, 42 U.S.C. § 11003, shall be submitted to the department of public defense. Committee submission to that department constitutes compliance with the requirement for reporting to the commission. After initial submission, a plan need not be resubmitted unless revisions are requested by the commission. The department of public defense shall review the plan on behalf of the commission and shall incorporate the provisions of the plan into its responsibilities under chapter 29C.

2. The department of public defense shall advise the commission of the failure of any committee to submit an initial comprehensive emergency response plan or a revised plan requested by the commission.

3. The department of public defense shall make available to the public upon request during normal working hours the information in its possession pursuant to section 324 of the Emergency Planning and Community Right-to-know Act, 42 U.S.C. § 11044.
